BASKETBALL

FROM FOREIGN LANDS

**with a special
touch of class**

Trude Hansen is from Rebakken, Norway. She is staying with the Bill Friesen family. Trude likes all kinds of assemblies, listening to records, volleyball, reading books (like The Three Musketeers), being outside and eating at McDonald's and Wendy's. She thinks the classes are very different and much easier, too.

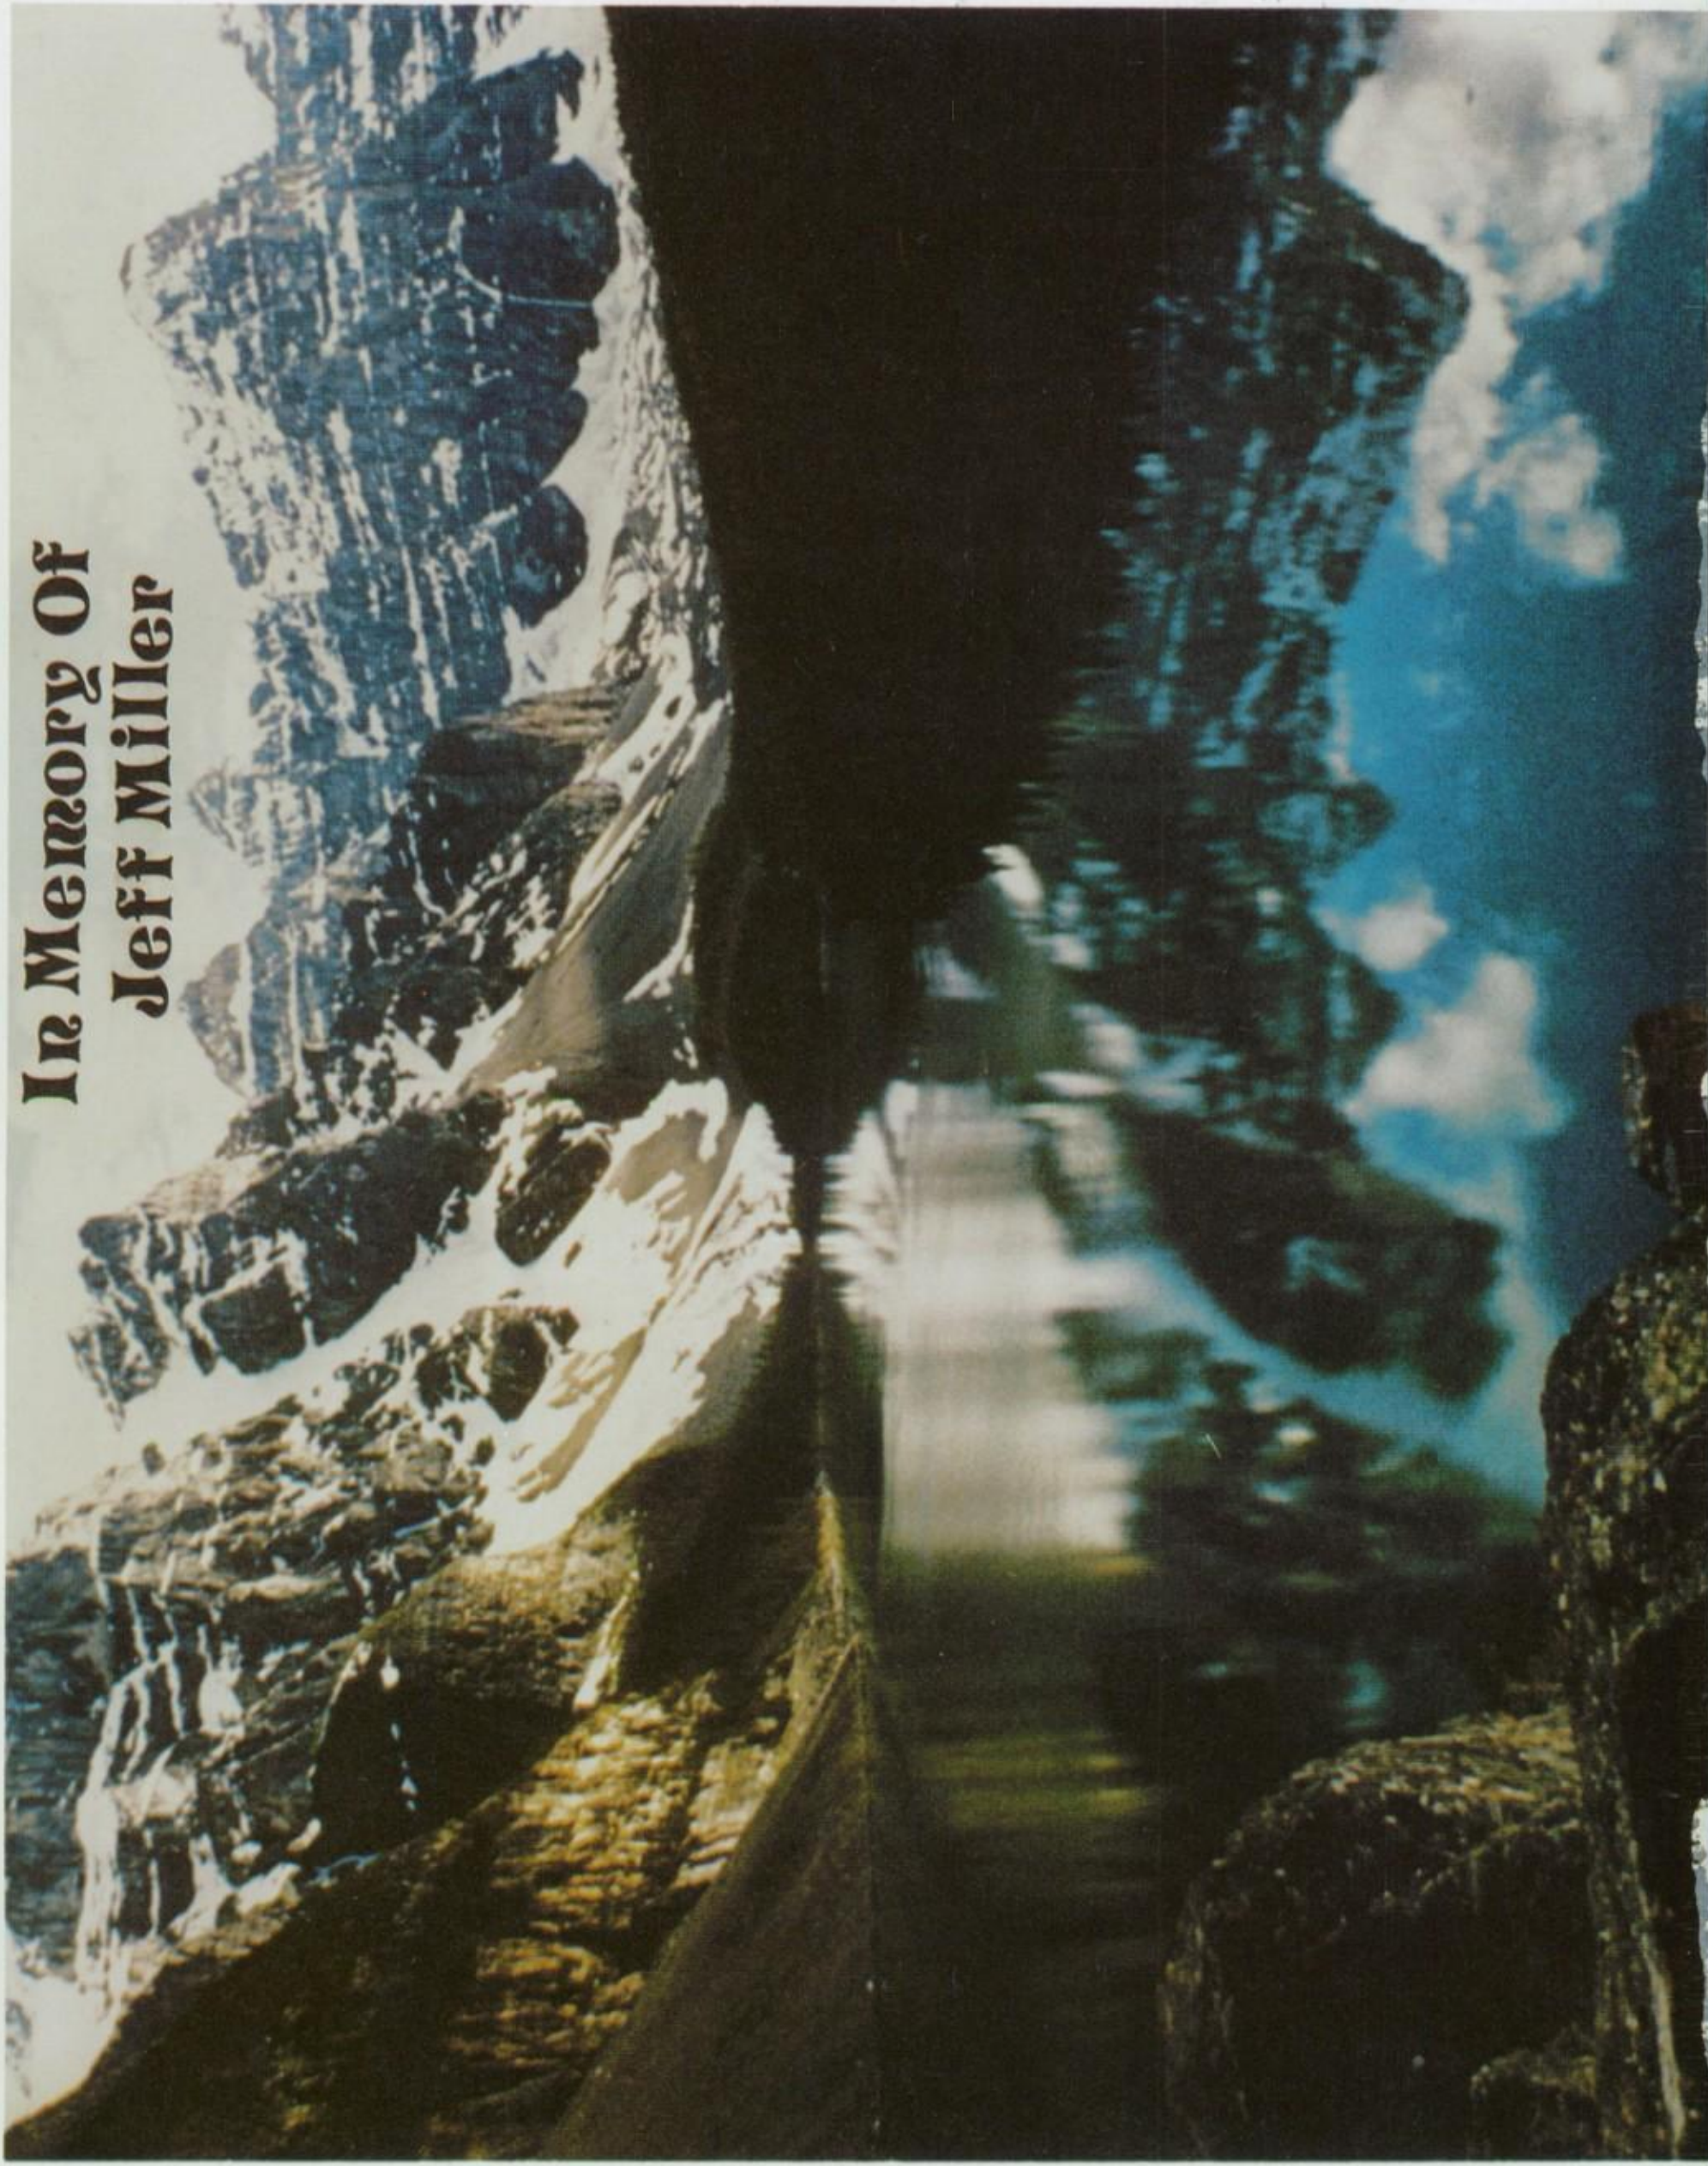

Ardy Jensen, from Roslev, Denmark stayed with the Raymond Fricke family. The things he likes best about our school are the people - both the teachers and the kids - plus the sports facilities. He thinks our country's different types of specialized radio stations and the food are just great! In his spare time away from school, he enjoys team handball, basketball, music, waterskiing and snowmobiling.

Shahrzad Otmishi ("Shadi") is from Tehran, Iran. At the beginning of the year she was staying with the Al Hamp family, but later moved in with the Dick Davis family. Shahrzad likes the boys, sports, choice of courses, skiing, having fun with her friends, and the easier education system at Fulton. She thinks the best thing about this country is the freedom.

These freshmen candids speak for themselves - with a touch of class?

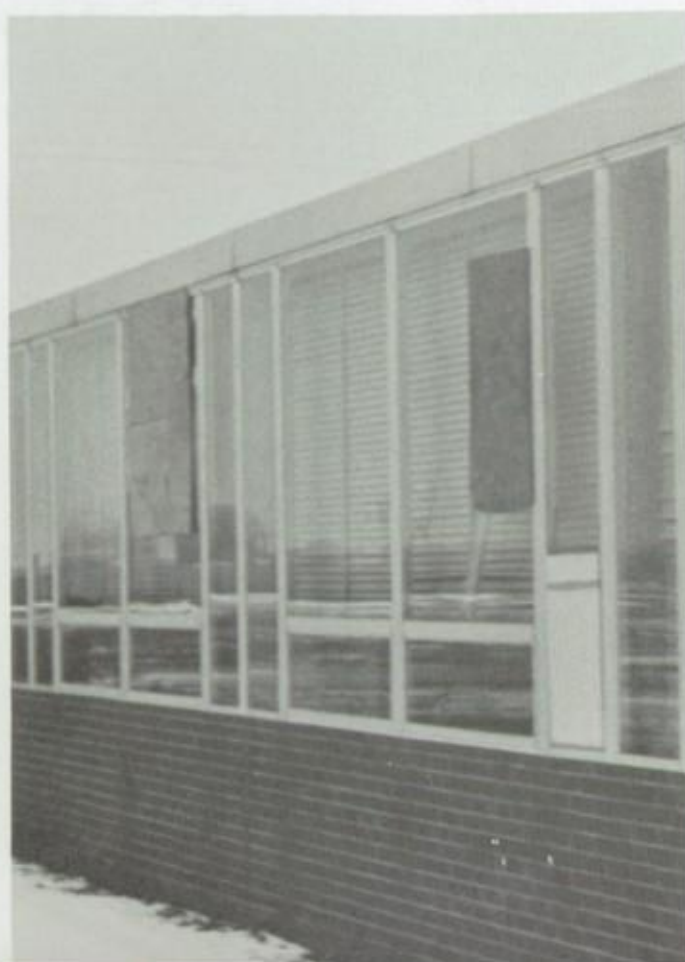

In late October a three-day strike by the support staff left empty classrooms (and a surprise vacation).

we'd like to forget

On Thanksgiving day vandals marred the appearance of our school and wasted thousands of needed dollars. Students and staff shivered during early Spring repairs, but 00-00-00-00 that repairman!

"The Pirate's Patch is written by and for the students of Fulton High School." The members of the Pirate's Patch staff, under the leadership of their advisor Ms. Cheryl McCarty, co-editors Honey Lee Jernstadt and Debbie Lubahn, and junior editors Lori Benner and Marcy Fisher, published the paper on a regular basis in the past year and tried to keep all FHS students up on the news that was going on around them. Many evenings were spent by the editors and staff in the pasting-up for the up-coming issue.

HOLLAND

Another Fulton first! The Pirate Marching Band journeyed to Holland, Michigan for the 1979 Tulip Festival. The band members and their parent chaperones boarded buses in Middleton on Friday afternoon. After arriving at Camp Geneva on Lake Michigan they cooked, recreated and enjoyed an evening campfire sing-a-long. On Saturday the proud Blue and Gold musicians marched two miles in the nationally famous parade. Even the drizzle couldn't dampen the spirits of the Marching Pirates.

Front: S. Otmishi, K. Zelinski, D. Davis. Back: Advisor - Mrs. M. Gray, M. Friesen, A. Wing, G. Tuttle, J. Ely, C. Eyer, P. White, C. Burr, D. Davis, G. Baker, editor

Annual Staff

The 1979 Annual Staff faced the task of creating the first camera-ready annual in Fulton history. They met the challenge with creativity, hard work, and a great sense of humor.

The prom committee begins the 1979 prom plans.

The Class of '80 sponsored the 1979 Junior-Senior Prom. With the theme of "Looks like we made it" the prom was held on May fifth following the banquet. Music was provided by "Adrenalin". It was an evening marked by a definite "touch of class."

It must be prom time.

Annual Staff,

The school year is over and the 1979 yearbook is completed. A friend of mine once wrote, "If you make the most of today, you'll have a memorable yesterday." I want to thank you, the staff, and our advisor for making my year as the editor a very memorable time. I also hope next year's annual is a great success.

Love,
Your editor,

Mrs. McKinney,
Well you've made it through
2 other Hinton's so I'm sure
you'll make it through me to.
I know I'm such a quiet and
excellent student that you've
never had any problems so you
probably won't for the next 2
years either. Good luck in your
future teaching years. (There's
two more Hinton's on the way)
Aren't you lucky. Their even twins
so you'll have them at the same
time.

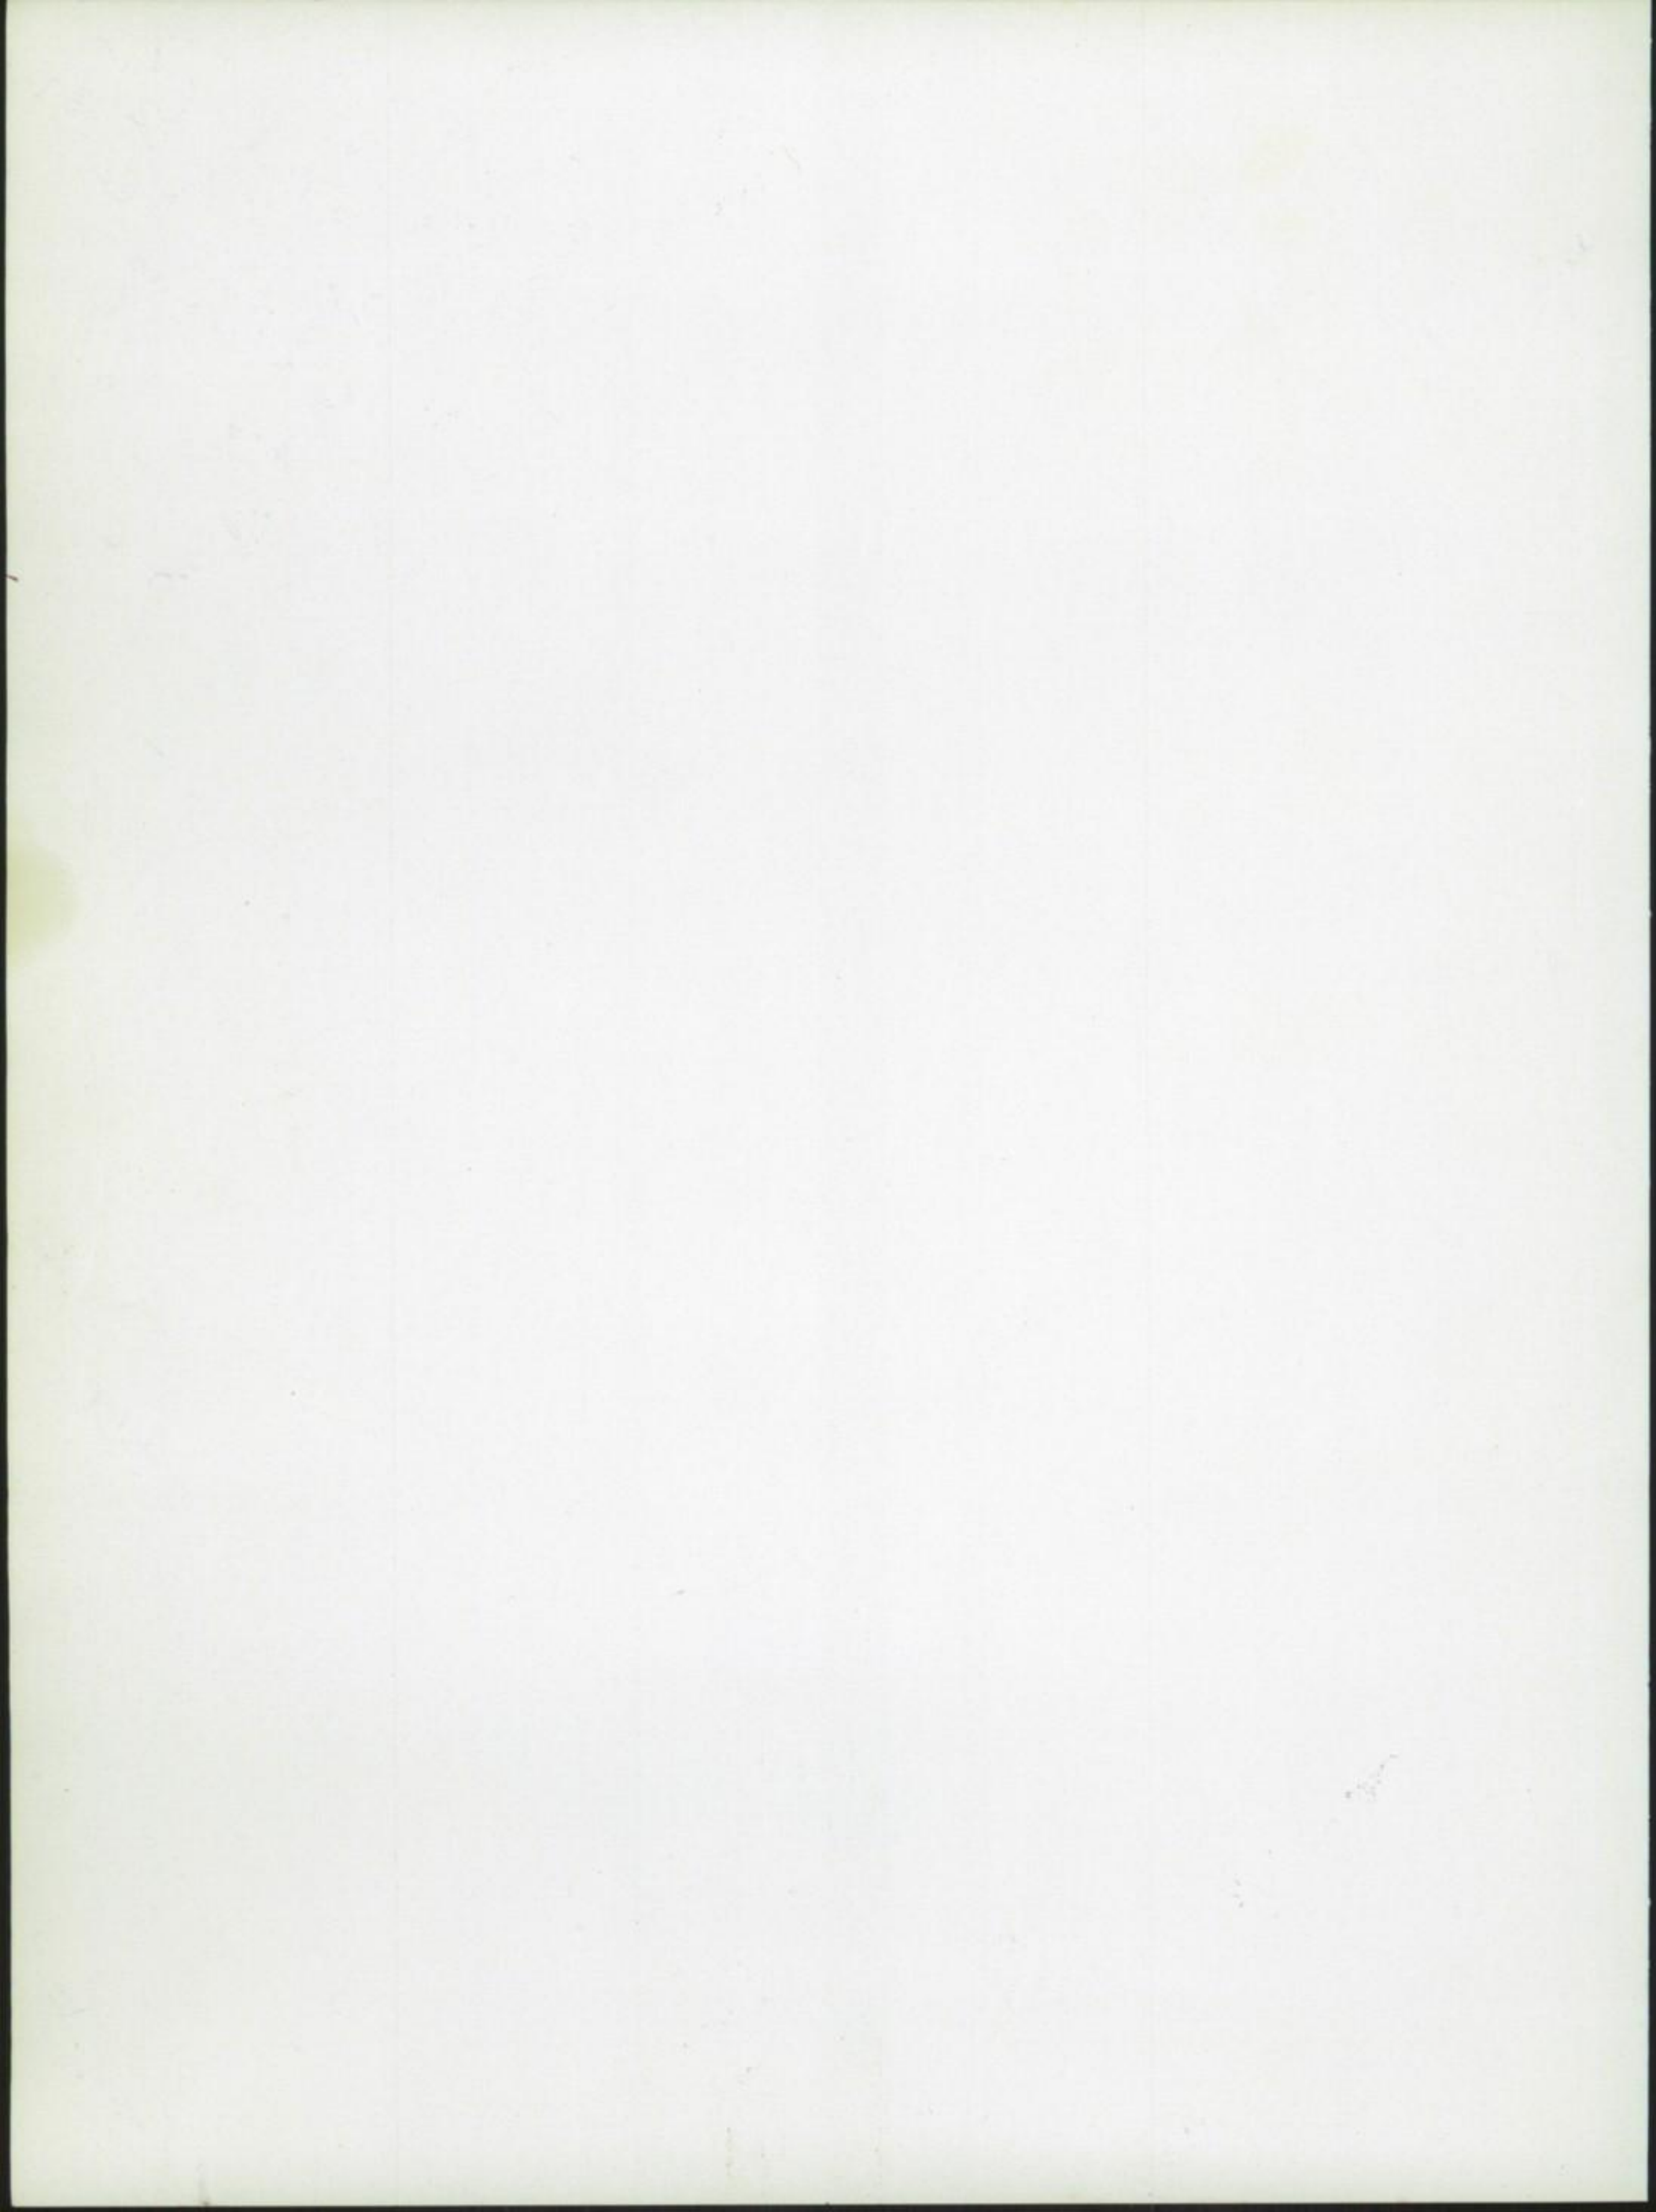

Keep smiling
a student and
a friend... "81"
